V1 Mark Twain – fake name – saddled Huck Finn with a magic nigger named Jim!
Sam Clemens – real name – raised funds to oust and kill our White Russian kin.

Bridge

Oooh, pattern recognition.
Oooh, pattern re-cog-nition.
We're easier to dupe than convince we're dupes.

CHORUS

Take a hint
Get a clue
Take a hint
Guess who's making a fool of you.

V2 Shakespeare – fake name – endowed Shylock with a spiel of half-truth schlock.
Fran Bacon – real name – wrote Juliet and Romeo telling young folk suicide's the way to go.

Bridge

Oooh, pattern recognition.
Oooh, pattern re-cog-nition.
Evil knows to ask forgiveness not permission.

CHORUS

BREAK

Who? taught us to H8 our race and culture
then taught us to H8 our father and mother
now tell us to H8 who's in the mirror!

V3 Pasteur – LIE-er – snowed Napoleon into touting jabs of poison --- for only goyim.
Einstein – thief and swine – the patent clerk got big ideas from patent files!
And by whose LIEpapers was he glorified?

Bridge

Oooh, pattern recognition.
Oooh, pattern re-cog-nition.
C'mon, taxpayers, it's simple addition.

CHORUS

CHORUS

Take a Hint. Get a Clue. Take a Hint.
Guess who's making a fool of you.
– rhymes with news and ruse –
Guess who's making a fool of you.
Guess who's making a fool of you!
