

GOING HOME

© 2024 JTLaffrey

V1 The Sun does not shine
on here and home at the same time.

Half-way around
I'm all the way upside-down.

CHORUS

I'm Going Home
This is not my place to change
I'm Going Home
Where I should have stayed
I'm Going Home
I finally see the Light
I'm Going Home
Where I have the right to fight.

V2 The day light
has yet to dawn on them.

Buddhas, shrines;
They're believers. Damn the Deceivers.

CHORUS

(as above)

BREAK (waltz)

Aunt Dixie was right
Uncle Sam was wrong.
Likewise in two world wars.

Losers right.
Winners wrong.
Whose side was your god on?

CHORUS

I'm Going Home
This is not my place to change
I'm Going Home
Where I should have stayed
I'm Going Home
Where I have the right and duty to fight!
