

YOU AND ME

© 2024 JTLaffrey

V1 Nature does not care about us.
Hurricanes don't ask whose pews you're in –
Odin, Allah, or Jesus.

V2 Nature does not care about me and you.
If she did she would not have produced the jews.
Who does care?

CHORUS

You And Me are the only ones
You And Me are exceptions
You And Me rise above
Out of h8. Out of love.

V3 Only Whites make Whites.
Let us read the Reich
To raise kids right.
Who knows, who cares?

CHORUS

(as above)

BREAK (backup group vocals)

(Who/ oo/ oo/?) the enemy
(Who/ oo/ oo/?) of humanity
(Who/ oo/ oo/?) we prove
(Who/ oo/ oo/?) it's the jews.

CHORUS

CHORUS

Outro (backup group vocals)

(You and Me) stand tall
(You and Me) risk it all
(You and Me) You and Me
(You and Me) are the only ones
(You and Me) You and Me.
