

## **K.Y.E. - WoW!**

© 2025 JTLaffrey

V1 It's far better to regret having done something  
than to regret having done nothing!

It's stupid to fill children's minds with fiction.  
(WoW)

### CHORUS

K.Y.E. your enemy  
K.Y.E. your enemy  
Know Your Enemy  
K.Y.E. or you'll never know victory.

V2 On the railroad track of Truth  
belief is the first step off the rails.  
(Wow)

All too often the ignorant think they're not.  
(Wow)

CHORUS (as above)  
(Hear this clue: They know you)

V3 We the People never gave  
government the right to take our rights away.

If we won't kill the tyrants, we deserve the tyranny.  
(Wow. Words of Wisdom are rare these days.  
We're living in another dark age.)

CHORUS (as above)

V4 Only White Force ever established peace for our race!

V5 To Whites, freedom of speech means freedom to speak the Truth.  
But to jews, freedom of speech means freedom to LIE.

### Outro

K.Y.E.! K.Y.E.! Know Your Enemy!  
(They know you.)
